DDI - We have sent you material previously concerning the Presidential Directive to produce the Foreign Relations Series on a timely basis + a meeting called by State.

This letter wraps up our reporting to you on this matter.

Ben

United States Department of State

Dear

STAT

I appreciate your participation in the meeting on February 11. Your expression of support for the Department's acceleration program for the Foreign Relations series is very important and very welcome. Those here in State responsible for the elements of the Foreign Relations program will concert with you in order to fulfill the goals set forth in the schedules. We should be prepared to convene again if circumstances during the year warrant our gathering.

In light of the assurances you and others at the meeting offered, I am now confident that we can meet the President's directive and complete publication of the Eisenhower-Dulles foreign affairs record by 1990.

Sincerely,

George B. High
Senior Deputy Assistant Secretary
for Public Affairs

Chief, Classification Review Division,
Office of Information Services,
Central Intelligence Agency,
